MONDAY Craft Club

The craft this week was perler beads! Crafters used a combination of provided patterns and imagination to make multiple creations including - rubber duckies, cakes with candles and dripping frosting, a giraffe, and even Merida from the movie *Brave* complete with a bow and arrow!

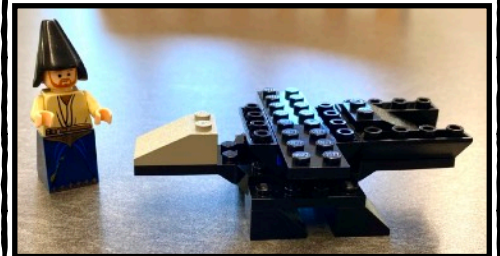

TUESDAY Storytime

The theme was APPLES. We read *The Apple Pie Tree* by Zoe Hall. Then we made apple trees out of different colors of cardstock and glue sticks. We're excited to watch the season change!

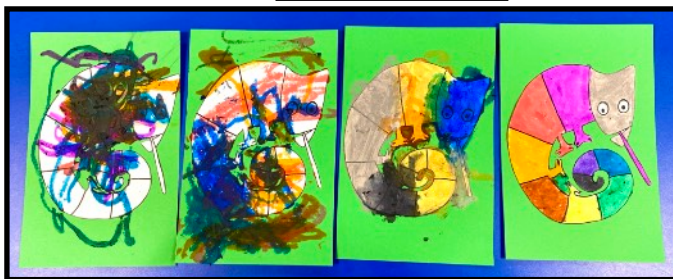

WEDNESDAY Lego

The challenge this week was to build a creature. A creative builder made a dragon-crocodile complete with a wizard!

THURSDAY Storytime

The theme was CHAMELEONS. We read *The Mixed Up Chameleon* by Eric Carle and *A Color of His Own* by Leo Lionni. Then we made chameleons out of paper and washable paint sticks. The kiddos had a blast making them as colorful as they could!
