MONDAY Craft Club

The craft this week was acorn suncatchers! Crafters used clear contact paper and small pieces of tissue paper in autumnal colors. They look so beautiful hanging in the window!

WEDNESDAY Lego

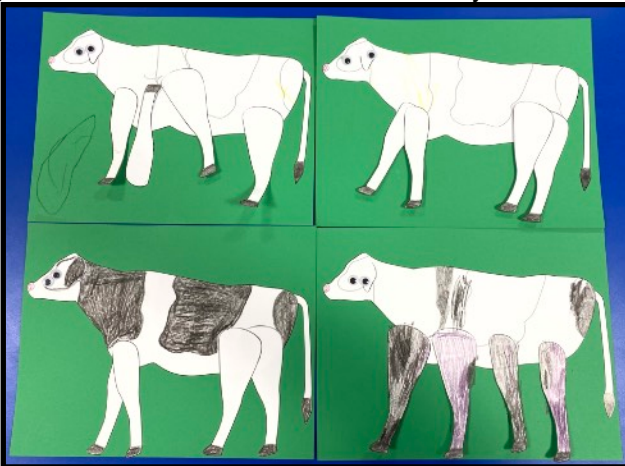

The theme was A ROOM IN YOUR HOUSE. One creative builder made the bedroom he shares with his brother, complete with blankets and a built in shelf! Another builder made a different room! Both are incredible!

THURSDAY Storytime

The theme was COWS. We read *The Cow Who Clucked* by Denise Fleming and *The Cow Who Climbed A Tree* by Gemma Merino. Then we made cows

on a green background out of paper, double stick tape, googly eyes, and crayons. The kiddos placed the eyes and legs themselves and colored the cows as much as they wanted. What a beautiful herd! Lots of fun "mooing" was also enjoyed!
