MONDAY Craft Club

The craft this week was caramel apples! They looked so delicious and sparkly. Check the desk for craft kits and welcome the new season with an autumnal craft!

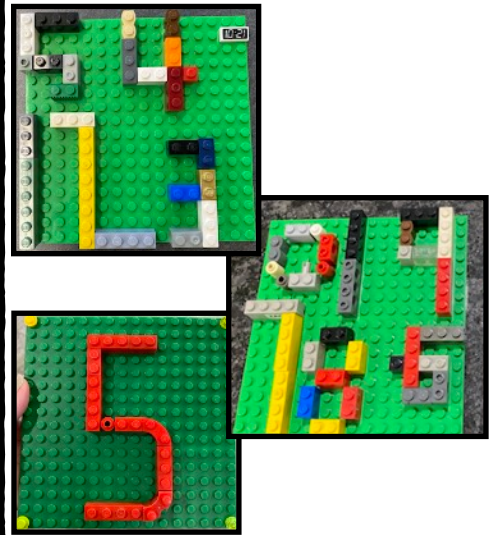

TUESDAY Storytime

The theme was TRACTORS. We read *Down by the Barn* by Will Hillenbrand and *John Deere: Busy Tractors, Busy Days* by Lori Haskins Houran. Then we made tractors out of various colors of paper, brown paper bags, and cotton. The tractors are ready to do some farm work!

WEDNESDAY Lego

The theme was NUMBERS. Builders created some excellent numbers!

THURSDAY Storytime

The theme was FOOD. We read *Food Faces* by Deanna F. Cook and *How Do Dinosaurs Eat Their Food?* by Jane Yolen & Mark Teague. Then we made caramel apples out of craft foam, felt, craft sticks, and sparkly gems. They looked good enough to eat!
