MONDAY Craft Club

The craft this week was paper plate rainbow spirals! They're so pretty and colorful twisting in the air!

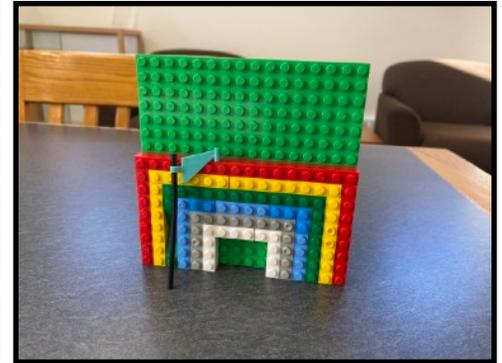

TUESDAY Storytime

The theme was RAINBOW! We read *Dog's Colorful Day* by Emma Dodd. Then we made rainbows out of paper plates, colored paper, cotton balls, and double-sided tape. A colorful theme for a cloudy day!

WEDNESDAY Lego

The theme was a RAINBOW. A builder created a beautiful example and other builders enjoyed some free building!

THURSDAY Storytime

The theme was SPRING! We read *When Spring Comes* by Kevin Henkes and *Spring Is Here* by Will Hillenbrand. Then we made spring trees with buds out of a paper tree printout, double-sided tape, and different colors of tissue paper for the buds, sun and mud. An adorable way to welcome the new season!

FRIDAY Family Movie

THANK YOU to everyone who came out to watch "Moana" and enjoy some movie sunshine and tropical snacks! Laughter was the best sound on a cold and rainy evening!
