## April 20 - 25, 2026

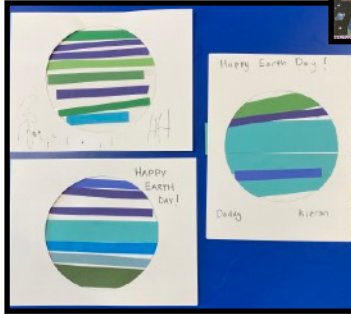

### MONDAY Craft Club

The craft this week was paper strip planet Earths to celebrate our beautiful home! Happy Earth Day!

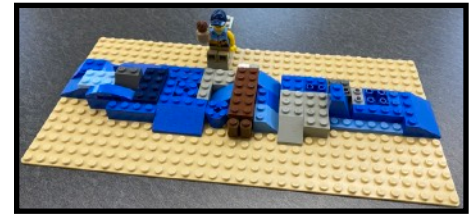

### TUESDAY Storytime

The theme was EARTH DAY! We read *Here In Space* by David Milgrim. Then we made planet Earths out of blue and green paper strips, glue sticks, double sided tape, cardstock, and markers. They're all so beautiful!

### WEDNESDAY Lego

The theme was EARTH DAY. One builder created a recycling center! Another created a scene with a mini fig enjoying an ice cream cone and a view of a beautiful river with a bridge!

### THURSDAY Storytime

The theme was BIRDS! We read *Nest* by Jorey Hurley and *Hooray for Birds!* by Lucy Cousins. Then we made spring trees with birds out of a paper tree printout, paper birds, markers, and double-sided tape. A lovely craft to celebrate the birds migrating back north!

### FRIDAY Family Movie

THANK YOU to everyone who came out to watch "How to Train Your Dragon" and enjoy some movie snacks with friends! It was a blast!

### APRIL Schedule
