MONDAY Craft Club

The craft this week was air dry clay bowls! Crafters used stamps to press images and shapes into the clay. Perfect for coins, keys, or whatever else!

TUESDAY Storytime

The theme was HUMMINGBIRDS! We read *Beautiful Birds* by Jean Rouse and Emmanuelle Walker. Then we made hummingbird finger puppets out of cardstock hummingbird paper printouts, colored pencils, glue sticks, and pipe cleaners. The hummingbirds then "drank" from a real hummingbird feeder!

THURSDAY Storytime

The theme was STRAWBERRIES! We read *The Little Mouse, The Red Ripe Strawberry, and the Big Hungry Bear* by Don and Audrey Wood and *Berry Song* by Michaela Goade. Then we made 3D strawberry pictures out of red/green/yellow cardstock, black markers, and double sided tape. Yummy enough to eat!
