## August 3 - 7, 2026

### MONDAY Craft Club

The craft this week was shark porthole sun catchers. Crafters used black cardstock, blue tissue paper, and sticky clear contact paper to make an underwater scene!

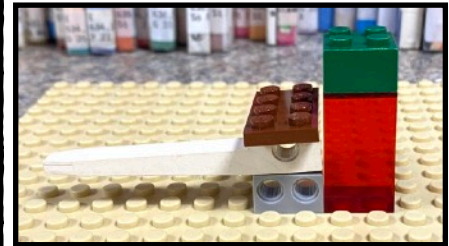

### TUESDAY Storytime

The theme was SHARKS. We read *Nugget and Fang* by Tammi Sauer and *Shark Bite* by Beatrice Costamagna. Then we made shark porthole sun catchers out of black cardstock, blue tissue paper, and sticky clear contact paper. It felt like we were in a submarine!

### WEDNESDAY Lego

The theme was ROCKET SHIP. A builder created the sweetest little rocket ship I've ever seen while another started an ongoing project!

### THURSDAY Storytime

The theme was CLOUDS. We read *Little Cloud* by Eric Carle and *It Looked Like Spilt Milk* by Charles G. Shaw, and *The Cloud Princess* by Khoa Le. Then we made puffy clouds out of blue cardstock, cotton balls, glue sticks, and googly eyes. The kiddos got really creative and turned some into vampire clouds and others into alien clouds! Lots of laughs were had by all!
