MONDAY Craft Club

The craft this week was acorn suncatchers. Crafters used clear contact paper, black cardstock, and colored tissue paper. So pretty with the sunlight shining through!

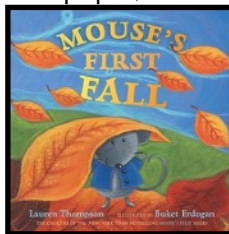

TUESDAY Storytime

The theme was LEAVES. We read *Mouse's First Fall* by Lauren Thompson and *The Leaf Thief* by Alice Hemming. Then we made leaf suncatchers out of clear contact paper, black cardstock, and colored tissue paper. Beautiful!

THURSDAY Storytime

The theme was LEAVES. We sang a song about leaves and read *Mouse's First Fall* by Lauren Thompson and *Bella's Fall Coat* by Lynn Plourde. Then we made leaf suncatchers out of clear contact paper, black cardstock, and colored tissue paper. Autumn glory!
